

It's a Wonderful Life

A discussion on the power and meaning of being a nurse

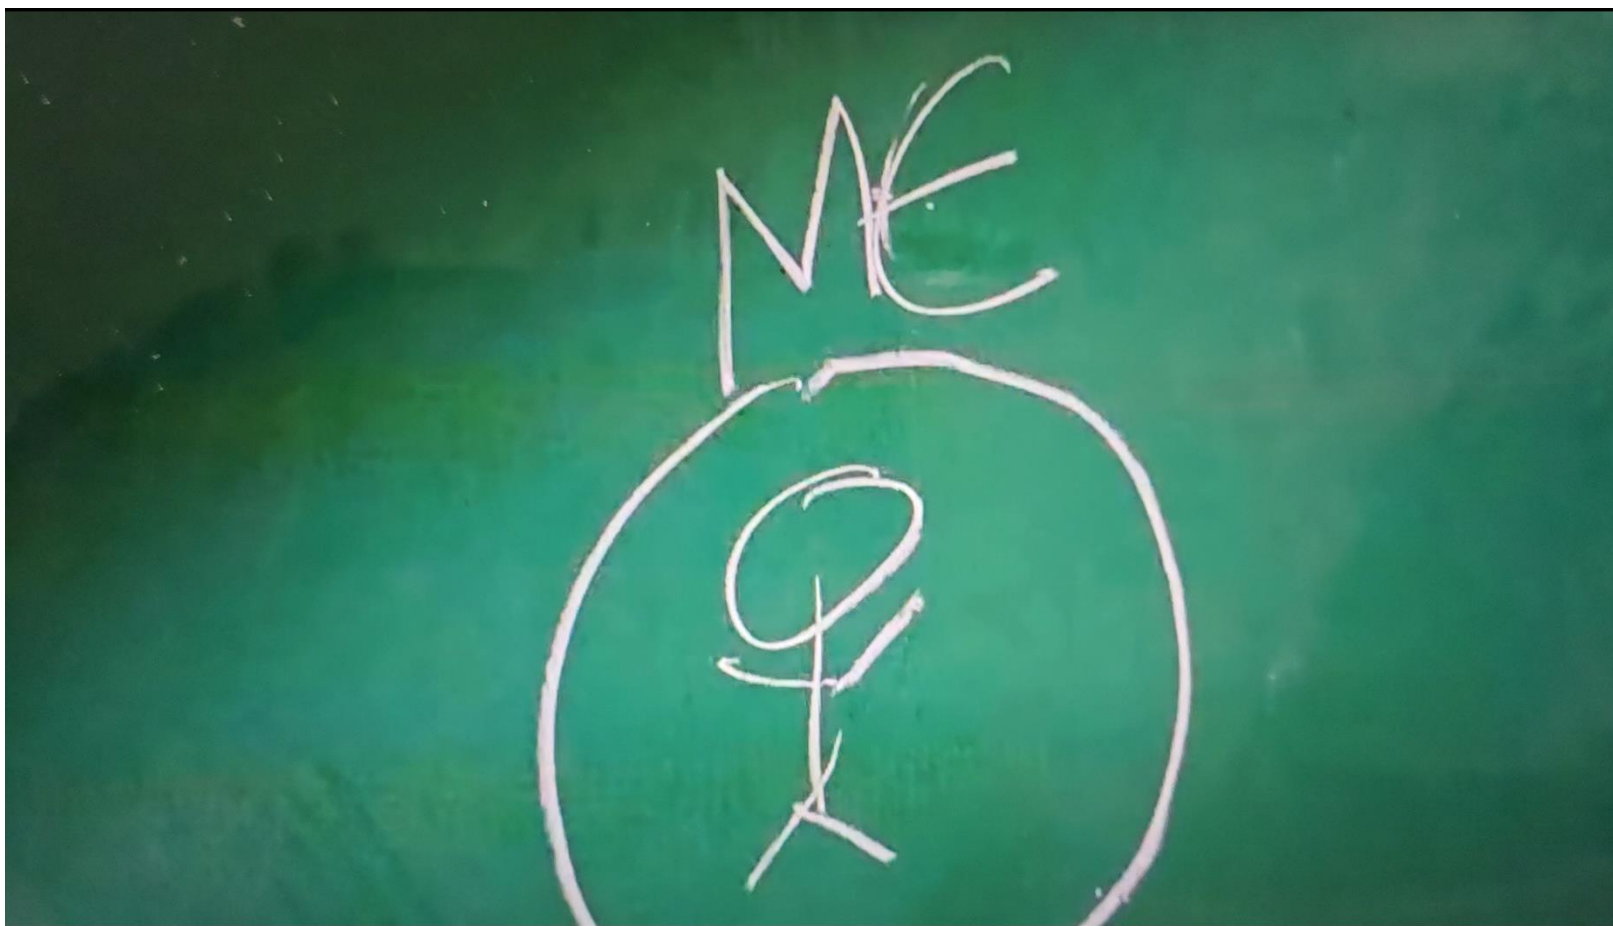

The world would be different without your care!

We tend to minimize our contributions, but others notice

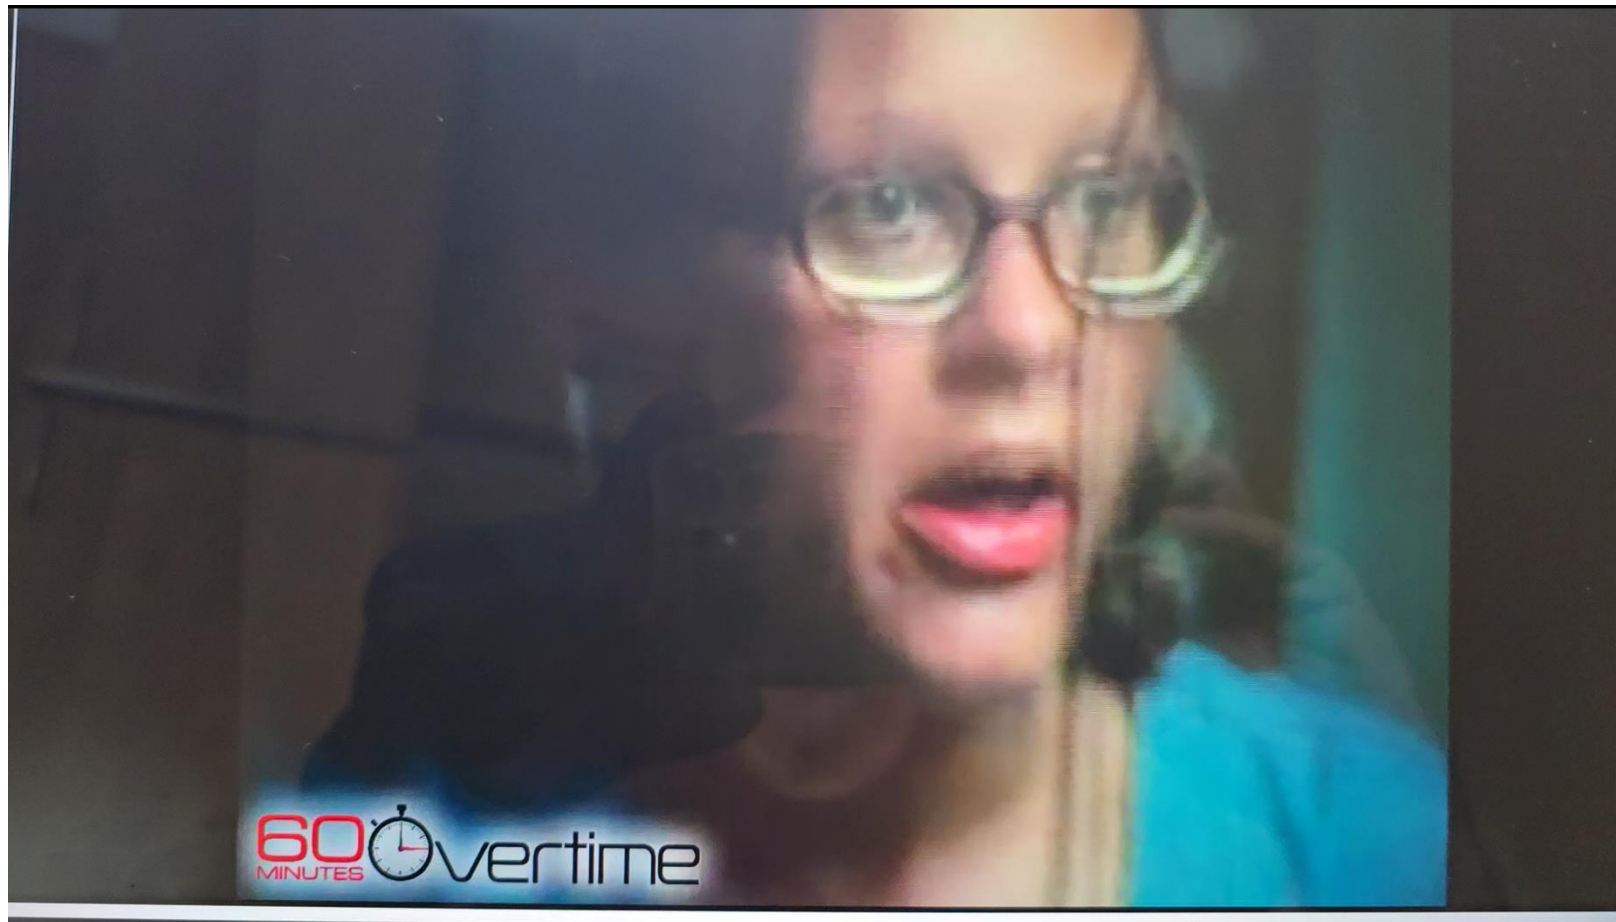

Your care TRANSFORMS the world

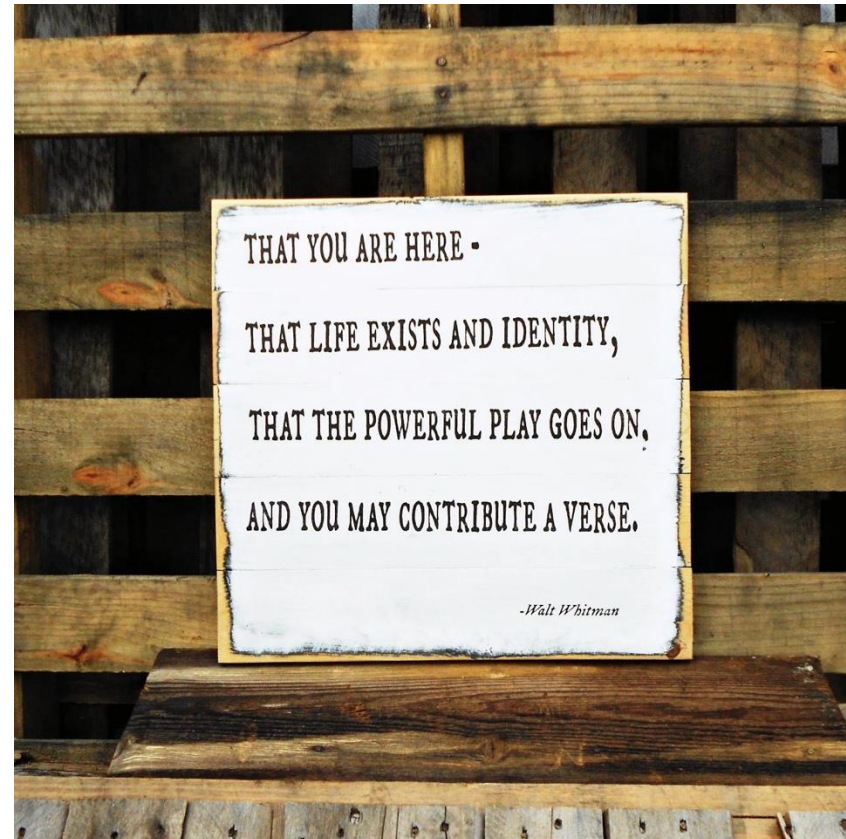

A lasting global legacy that changed lives only because of you!

The Most Meaningful Thank You

Do you see your verse? Are there patients, colleagues, students, families in a better place because of you?

Nursing: Your (Our) Masterpiece!

Is there someone who nursed your career?
Is there you nursed and changed their life?
